“ Dan, will forever cherish the memories shared through the many years you trained THE QUARTERBACK, for me. I learned so very much from you about the way to make a road pony. That the biting rig is an important tool in creating the perfect mouth on a pony . Will forever remember all of the wonderful memories we had from the hay fields , to coon hunting, to the trip to gaitlinburg , to the many horse shows and blue ribbons I won under your guidance. Thank you for all the life lessons. I will greatly miss your daily text messages. I still have my chairman's protégée tshirt in my closet , it will always be dear to my heart . Rest Easy my friend. I won't say goodbye, I will simply say , see ya later love always - "Lorie" Hoping that my prayers will bring your family some comfort during this time .
