“ I worked with Dennis at the Greene County Health Department. Sweet person who fun to talk to and listen to all his stories about hunting and his life. He was hard working and never met a stranger! He will be missed! Rest In Peace my friend!

“ When I moved to Greeneville, my first job was at the Health Department. Dennis was always so sweet to me and made sure that I felt welcome. He would tell us stories about bear hunting and brought turtle soup to share with us! I appreciated his friendship very much during my first few years in town.

“ So sorry to hear of Dennis' passing. We certainly shared some fun working times at the Greene County Health Department over our working years. He, Dillard and I had our own 7:30 AM coffee club! May he rest in peace, without his heart and breathing issues. Prayers be with each of you during this difficult time. Dennis was a friend to many and is now reunited with his brothers and parents whom he loved. He will be missed by so many.
