“ Phil and I send our respects to you and the family. It is always difficult to have buried both parents but it is a necessary step toward understanding . Phil and Linda Cochran

“ Hal and I knew Lena, Collie and Jerry for over 40 years. We always sat in front of them during Sunday morning services. We loved to visit them in their home and chat. They were so thrilled to share stories about their two grandchildren Sarah and Luke. And they adored their son Jerry. He was a devoted son. It was a sad day when Lena had to move to Greenville, Tenn. I missed visiting with her, but knew Jerry had made a great decision. We were able to visit her in the beautiful Nursing Home in Tenn. Her favorite place was outdoors in the garden with the beautiful flowers. We took her out there and were able to have a nice visit. After the wonderful grave side service today, we are both so happy to know that she is with Collie again in their wonderful home, HEAVEN . Thank you Jerry for being such a wonderful son. Your father would be so proud of the wonderful way you cared for your mother, with Cheryl's help. God Bless all of you.

“ Collie and Lena were a blessing. When visiting them in their home Lena warmly received us and immediately prepared coffee and cookies for their preacher. Lena was always encouraging and appreciative. Her sweet spirit will be missed and forever remembered.

May God bless her family in this time of loss. Steve Teel
